

J. E. SAWYER & CO., INC.

WARDFLEX CERTIFICATION CLASS

WARDFLEX gas piping and fittings are in stock at Sawyers. This is a stainless steel flex metal tubing that makes installation quicker and easier. (See Facts Below). **New updated information on bonding and fittings.** Check out www.thecuttingedgellc.com

This can only be sold to certified dealers. There can be no exceptions. We must have your certification number on file before we can sell to you.

We are scheduling a certification class with Bill Almy from Urell, Inc., for dealers on Thursday, January 12th, 2012, at 8:00a.m. to 9:30a.m., in the Glens Falls store training room. If you are interested please sign up in the heating dept. or call Gary or Bill to make reservations at 793-4104.

With WARDFLEX, you get more benefits, fewer hassles.

Compare WARDFLEX with steel pipe installation times:

Installation Data* July 1, 1990
Man-Hours/Foot Installed (Hr/Ft)

	<u>Steel Pipe</u>	<u>WARDFLEX</u>
Single Family	.0450	.0202
Multi-Family	.0258	.0109
Commercial	.0434	.0220

Based on Foster Miller Research data.
Actual Figures may vary.

Compare other important advantages:

Ave Lgth of Pipe or Tubing Per Joint (Ft/Joint)

	<u>Steel Pipe</u>	<u>WARDFLEX</u>
Single Family	2.13	9.05
Multi-Family	3.26	11.27
Commercial	8.58	10.79

	<u>Steel Pipe</u>	<u>WARDFLEX</u>
Unrestricted room layouts	No	Yes
